# Cindy offers the following benefits...

## ◆ Beyond a singer... she entertains!

Weaving story into song and often throwing in some audience participation, Cindy will keep your audience energized and engaged. And because of her versatility and experience, Cindy will completely customize the style of songs and story to match your theme and demographic.

## ◆ Saves you money & time

Instead of hiring 3 separate people to emcee, sing and do comedy, Cindy does them all, weaving it all together to enhance the theme of your event and create a seamless flow. And you will only co-ordinate and plan with one company... saving you time and money.

## ◆ Builds extra credibility & buzz for your event

To say, Cindy Ashton who recently appeared on the front page of the lifestyle section of the TIMES and received a prestigious award from President Obama, will be appearing, automatically suggests that you have created a high end event which generates more excitement.

### Also, if applicable to your event...

#### **Inspiring story to give hope**

Cindy's own story of overcoming life threatening childhood illness will bring a beautiful element to your event, offering hope, possibility and inspiring courage.

#### **Can promote your event to 20 000+ people**

Cindy's team will facebook, tweet, mail out and spread the word about your event to her following. It is a great way to build awareness for your business/organization as well as possibility sell a few more tickets.

*"Cindy Ashton is about passion, personality and possibilities! As a featured guest at our Nursing Week Celebrations, Cindy wowed all who attended with her story telling and incredible vocals. I saw people laugh and dance who I have never seen laugh before. Her positive energy is contagious. You truly believe in the possibilities and promise life has to offer after you've spent time with Cindy."*
